

Hot Tub and Swim Spa

WATER HYGIENE MANAGEMENT TRAINING

Pollet Pool Group UK Ltd. National Sales Manger, Jimmy Lamb is a BISHTA committee member and accredited tutor for the 'Hot Tub and Swim Spa Water Hygiene Management' course for BISHTA.

Since joining the pool & spa industry back in the 90's Jimmy has gathered a wealth of experience in not only pool & hot tub water treatment but, selling, installing and servicing hot tubs.

The course, delivered by Jimmy is aimed at anybody involved in hot tub business including, sellers, distributors, installers, services companies and holiday park/cottage operators.

It's a requirement to complete this course in order to become a member of BISHTA.

COURSE SYLLABUS

The course is split into a number of smaller sections that are outlined below.

- Types of spas (including exercise spas) and hot tubs
- The difference between commercial spas and "business use" of domestic hot tubs
